About

Having experience in coding since 2016, I've been working on both small and large projects. I have a lot of experience in full-stack web development. Usually write in Go, (and formerly in PHP, C# and NodeJS). Love to learn any new interesting technologies.

Project

BIMA: Lecturers Research Management System *(2023)*
Indonesian Lecturers' Research Management System.

Graha Multimedia Nusantara: Company Profile *(2022)*
Company Profile Website of Graha Multimedia Nusantara.
